## Editorial

It is seven weeks since our new Manager took over the team and already changes are apparent. Joe Gilroy has added a dimension to Lions play, that was missing before and is probably summed up in one word, adventure. His task has not been easy due to a long run of injuries but when one considers that the seven weeks have seen Ronnie Millman (broken leg), Gerry Lindsay (pulled muscle), Alan Niven (gashed ankle) and Mark McNaughton (pulled muscle) all out at one time or another. It says a lot that during the six matches played the team has yet to lose a game.

Of course our new Manager would be first to put credit around where he thinks it is due and he spares no praise for Craig Low, Calvin Daunt, John Ogden, Graham Wilson and Steven Hogg, who have all been thrown in at the deep end, either as Philips League newcomers or as in the case of Steven playing in strange positions. He will also praise the work being done in preparing these young players and already has taken into his confidence Roddie McKenzie and Ian Kesson, valuing their opinions and advice. However that is not the subtle change I am talking about, these are only ancillary factors. Lions again are turning to playing attractive, constructive, entertaining soccer. It has been a long wait but the signs are there, we have players taking opponents on and beating them. We have players trying the little clever tricks that entertain and also show confidence and best of all we have players gradually becoming obsessed with going forward. All these things are best covered by the word adventure. The players are beginning to believe in themselves, their team, and their club. They feel part of a growing movement towards making Lions a power in the land and when that feeling comes the confidence in themselves and in each other that makes the end product of the club, the Philips League Soccer team, a Marketable commodity.

There is still a long way to go, but the signs are good. All around the club is an air of expectancy and today's game should go a long way towards generating more excitement if the boys can knock over what is regarded as one of the best all round footballing sides in Australia. A few months back we would have hoped Lions would go out and upset the league leaders but today the feeling is, will we go out and outplay the league leaders. There is a subtle difference in the two statements but who among the supporters of Lions would doubt the present team could not do the job. We have some of Australia's finest players playing with us now and also some of the finest home grown talent in any club. The mixture is an exciting one and makes the prospects, not only for this season but next year too, just that little bit better.

## Last Week's Game

Heavy overnight rain left a heavy pitch at Woolongong. The Wolves took advantage of winning the toss to kick uphill and were immediately pegged back in their own hay by an eager Lions side. Craig Low set a red hot pace on the right touchline. Calvin Daunt's heading caused problems for the Wolves. Central defenders, Bob Ferris and Graham Wilson tied up the mid-field. Young Wilson having his first full game under Joe Gilroy, worked eager to score with 3 good shots at the goal in the first 15 minutes. Best chance of the early stages fell to Calvin Daunt, ghosting in behind the Wolves defence he saw his hard left foot shot from a Paul Ontong cross flash past the far post and only the keeper to beat. Nigel Lownds spectating from the far end saw the dead lock tighten 5 minutes before half time. A good left side build up saw the ball eventually land at Craig Low 25 m. out. Slipping past two defenders the little fellow drew Jim Preston, then crashed the ball past him to put Lions 1 - 0 up.

The second half saw Hermiston, Bennett, Lownds and fullbacks Hogg and Ontong under early pressure, but composure and experience allowed quick breaks with Lions looking for the killer 2nd goal.

However, against the run of play Jim Mc Breen crashed a spectacular volley past Nigel Lownds and the game was all even at 1 - 1.

On came Bob Latchford and immediate confusion in the Wolves defence. The big fellow showing no signs of injury had class stamped over everything he did. Creating chances for Craig Low, Calvin Daunt and Bobby Ferris, big Bob could only watch the finishing touch strike wood and land in Jim Preston's hands.

Time ran out for the eager Lions forwards and a draw 1 - 1 was to be the final result. But; again a superior performance and goals hard to come by. Craig Low, Calvin Daunt and Graham Wilson gave sound performances and Bob Latchford looks forward eagerly to the South Melbourne game.

## Junior Report

With each team playing the second game in the second half of the season, was another big weekend of Soccer at home and away. Most of the teams in the Competition have improved during the first half of the season, this was apparent by some of the close results. The windy conditions at most venues did not promote good soccer, but as they say in the game. Both teams are playing under the same conditions.

### Results

Under 8's (Hawks)

Score - Lions - 0 Liechardt - 2  
After a disappointing start to our game, it soon started to liven up, when Lions had two break breaks, but unfortunately the ball didn't find the net. After holding Liechardt in the first half and half of the second half, two goals were scored well by the Liechardt strikers. The team has improved over the last two or three weeks with our next win not far away.

Under 10 - 4

Score:- Lions - 1 Easts - 0  
Troy Cranny netted again, that makes 12 this season so far. A great through ball from Steve Jackson who after a disappointing start is finding form fine performance on a number of occasions in goal, aided by Michael Hutton, a hard tackling defender, well done lads.

Under 10 - 2

Score:- Lions- 0 Redlands- 0  
Under very blustery conditions a much improved Redlands took on the Lions. At the last encounter Lions had the upperhand, winning 3-0. This time it was to be a different story. In the first half Lions had the wind with them but was unable to score even though

they had most of the play. The excitement came in the second half when a Redlands striker broke away, and was tackled in the penalty area, a penalty was awarded. The penalty was taken and to the relief of the Lions supporters it went wide, off the right hand post. With the increasing gusts of wind and the pressure being applied by Redlands in the dying stages of the game, Lions defender Craig Mc Lead, Steven Dale and Damian Wallis managed to hold them out. A very hard game with all boys playing well. If we keep up this good work under their difficult conditions we should do well this season.

Under 12-1

Score:- Lions -2 Clairvaux -1  
Lions started off the game slowly playing with the wind. Five minutes in to the game lions missed two good chances to score, due to good defence by Clairvaux. The first goal in the game came from Clairvaux due to a defensive mistake by Lions. Credit must go to Lions from then on, for not dropping their heads. The equaliser came just before half time with a shot from Darren Webb, which rebounded off the keeper for Jason Keence to put away. The second half was all Lions and 3 minutes from full time Jason Keence won a ball in mid-field and calmly slipped it under the keeper for the winning goal.

Under 12-4

Score:- Lions -0 Oxley -0  
Both teams played good soccer with some exciting patches of play. Each team had chances to score. As in the previous report we're on our way to a win shortly, just watch us.

cont/d

## Under 13's

Score:- Lions-7 Clairvaux-1  
Lions ran out easy winners of this match once they realised how to beat the negative off side trap, which Clairvaux were playing and were still playing when they were four down. The blustering conditions was not making things easy for either team but at least Lions were trying to move the ball around and played some good football. Mathew Doyle, Keeran Doherty, Stewart Renyolds, and Robert Vicon were some of the players to catch the eye in a good win to this undefeated team as for this year.

## Under 14's

Score:- Lions-0 Goodna-4  
The team so far this year has played as a team and this game was no exception. Even though we failed to gain the 2 points, a number of key players who were injured will be returning to the side next week giving our next win.

## today's game

South Melbourne come to Lions Stadium today as league leaders, a position they have held for most of the year. However they are a team under pressure for they now have Sydney City right on their tail with a game in hand and a potential one point advantage over the Gunners. This sort of situation means that there will be no thought of an away point in coach John Margaritis mind so the South Melbourne football machine will be geared to attack a Lions defence that fears no one. What and who do we watch for in this team of Australian superstars, this club that spares no expence in getting any player they feel may do a job for them. Their line up reads like a Who's Who of Australian soccer and it is right we should name the two brilliant young Socceroos, Davidson and Blair first. These two are defenders who will be in the national team for years as they are still only twenty. Blair a centre half and Davidson an attacking fullback. The two veterans who make up the back four, Arthur Xanthopoulos and Vince Bannon, add the correct amount of skill and experience to make this a very strong defensive line. The mid-field is also a place where experience is a pre-requisite and the club has speculated heavily in the transfer market bringing in Jim Shirra a long time professional in Scotland and matching him with John Stevenson, for long the mastermind behind Sydney City. The third member of the trio is tall rangy Billy Rodgers who was recently called back into the national side by Gutendorf but who has since been dropped by Les Schienflug. Again this player is not short of experience. Up front the story continues with with ex Liverpool man Alun Evans, playing alongside new signing Steve Wooden who had an outstanding game for New Zealand against Australia and who has recently been purchased by South Melbourne. The likely third striker is Branko Buljevic who has long been a big favourite with Australian soccer rownds and who repays their confidence year after year with goals. The clubs playing strength does not finish there. The brilliant youngsters George Christopoulos and Duncan Cummings also play regularly so any accusation that the team is getting long in the tooth does not carry much weight for if these two are being kept out the "oldies" have to be performing.

What can Lions do against such a vast array of highly priced soccer talent? They can go on the field fully confident that they are man for man just as good at playing the game as their opponents. Our back line is the equal of anything in the league, if not better than most and in mid-field Lions Youthfulness could quite easily equate the know how of the Gunners trio. Up front Lions would have an edge with big Bob Latchford playing his last guest match for the club, and perhaps the key to the whole match could come from his little partner Craig Low who cracked in another great goal last week in Wollongong. This guy has it in him to become a real personality in the game and with Davidson fond of overlapping, it could be a case of who'll watch who. Calvin Daunt had another big game last week and his height could bother the South Melbourne defence which, if it has a weakness, could be described as short. It's a game Lions want to win and no doubt the fact that they are playing in front of their own fans always gives that little incentive, so get behind the lads today and let them know.

# LIONS SUPPORTERS CLUB

Having now fully recovered from the Newcastle trip, the Supporters Club Committee had a long hard look at what we thought was right, and what had gone wrong on this, our first organized trip.

One thing that stood out was the lack of people who had gone on the bus (only thirty nine.) This could have been due to a number of reasons. One could be the lack of interest shown between the players and the supporters - this applies to both sides, - and another is the ever present problem of finance. To help ease this particular problem, we are now commencing our own "Savings Scheme", open only to Supporters Club Members, whereby any member can save any amount of money, over \$5.00, whenever they can towards any trip or trips away. A receipt will be issued for every deposit, and a signature will be required from the member for any withdrawal that they may make. Nye North will be the man in charge, and anyone who wishes to join our scheme will be able to see Nye at the Den most Friday nights.

Any supporter who wishes to go to Canberra to watch the Lions V Canberra Arrows match on the 2nd August, please let us know and we will arrange the booking for you.

Another match that must not be forgotten, when we want everyone to wear as much orange as possible, is when Lions play the Gladiators at Spencer Park on the 19th July.

The Supporters Club can now get articles of interest printed in every Tuesday's Telegraph. If you have something exciting or of interest to say, tell our Publicity Officer Gaye Ah-Quay. Another area where we are requiring help is with items for the Souvenir shop. If you, or anyone you know has a knitting machine and time to spare, can make rosettes, or anything else suitable for our shop, please contact any committee member or come to the shop, which is open until 3pm every home P.S.L. game.

The progressive points for our "Man of the Match" are as follows:-

Col Bennett-4;  
Craig Low - 2; Nigel Lownds - 4; Jimmy Mc Lean-4; Bobby Ferris- 2;  
Bobby Latchford - 2; Paul Ontong - 2. It must be remembered that the player chosen must be present at the Den to receive this award.

We would like to take this opportunity to thank and wish Bobby Latchford, his wife Pat and children, Isobel and Richard, the best of luck and health on their return to England. We sincerely hope to see them back with Lions very soon.

.....Lynn Sparrow.....

## 4 BC - BOB LATCHFORD Soccer Clinic

For some time now the Southern States have been leaving Queensland behind in the staging of coaching camps for school kids. Rale Rasic was one of the first to get them off the ground and they have proved a huge success and now Lions feel they have to move in Brisbane to give kids a chance up here.

Next week the club, in conjunction with guest player Bob Latchford, is promoting its first coaching seminar at Richlands Stadium. The course is being held over four days., commencing Tuesday first and so far reaction has been outstanding especially from outside clubs. Over eighty nominations were in at the of going to press. Each youngster nominates for the morning or afternoon sessions and attends that particular session for the four days. The course has been made out by our manager Joe Gilroy who has extensive experience in this sort of thing overseas. The boys will be split up into groups so that they will be working in various aspects of the game over the full session. Bob Latchford and Joe Gilroy assisted by club coaches will ensure that the kids receive correct tuition for their money and at the same time have a lot of fun. The organisation of this type of promotion is not easy and many people have been involved. It is indicative of the new movement within Lions club that this first clinic will be a huge success and there is little doubt it will be a forerunner of many more such courses for local kids. The club is staging this course for the benefit of kids on the South of the river and it should not be imagined that the course is being run in opposition to

those being organised at various North side grounds by State Director of Coaching Ron Smith. Rather the Lions course is complementing them and it is felt Bob Latchford as a player and person should be shared among as many people as possible, he is the kind of guy. Any kid who would like to nominate still has time. Get along to the Forum right now and sign up for four days of sheer fun, enjoyment and Soccer education.

## KESSON'S column

Youth V C/Stars Result 5-2 Loss  
Sunday 14.6.81.

This was not as bad a result as it may seem. As 9 of these lads had played against Grange Thistle the night before the Ampol Cup at Perry Park. It was a strange experience for some of our players to be on a losing side two games in a row especially less than 24 Hrs apart. I must compliment Barry Payme and his team. They played some good football and scored some really good goals. We went ahead early when Roddy Vasasquez poked in a goal from close in after Steve Watson's header had been dropped by the keeper. C/Stars came straight back and scored a good goal. With some early passing and first time finishing they shot to a 4-1 lead by half time. After the break we played to instructions and started to look like a better side. Steve Jackson scored a good free kick and C/Stars broke through to make it 5 before full time. Some good performances from our Colts and tired lads from 2 games in 24 hrs.

Senior Colts V Taringa Rovers.  
Result 2-0 Saturday 20.6.81.

Conditions were very windy, not the best of days to play or watch good soccer. That's what we did played all over the opposition. There was only one team on the field but we could not penetrate, and frustration set in. We all wanted to score. Half time 0-0. I get fed up telling young teams how well they can play, I wish they could believe in themselves and go out and show me and themselves that they can play well against more physical teams

We continued to press forward in the second half and finally got the goal we needed. John Miranda shooting from an acute angle 5 yds out. The Taringa keeper, who had played very well, could not hold the shot and it ended up in the net. Our second goal was a scrambled affair with Paul Nadalim poking the ball over the line after a goal mouth scramble. Taringa lost a player, for chatting the Ref, no self control. This raised their efforts and they went close after a rare corner kick, which ended on the roof of the net. Final score 2-0 win. Newcomers Warren Riedell and David Doherey both played well. They looked as if they had been in the side all season. We must get more disciplined when we are not scoring goals and so that we don't try to do someone else's job. We must continue to play good football and spread out, giving width to our attacks. Five centre forwards only make it easy for the other side to defend. No team plays good football when they allow themselves to panic. Lets keep our cool and play good Soccer at all times.

Junior Colts 1. V Easts Jnr Colts  
2-2 Draw.

An up and down game with both sides taking turns to dominate the game. A lot of good football played, by both sides. Lions opened the scoring with good team work goal. Simon getting the final touch in a four pass move. Easts came back quickly with the equalizer. The game continued in this see-saw fashion throughout the second half, we scored again and had the misfortune to put into our own net to give Easts a point. A good effort from the lads.

## S.E.Q. League.

### Results

Ampol Cup - 4th Round Away.

Sat 13.6.81.

Grange Thistle 2-0 Lions

Man of Match: 3pts S. Jackson

2pts A. Murray

1pt S. Watson

Another tremendous fighting display from this very young Lions side. The lads took on Grange Thistle and gave them their biggest fright in years. Had Graham Wilson and Marty Ratcliffe put away those first half chances we would now be preparing for the next round of the Cup. But also it was not to be. Grange Thistle used all their professional expertise and experience and floored us with two good goals in the first ten minutes of the second half. Our lads then showed what character they have by rolling up their sleeves, getting back into the game and putting Thistles defence under pressure until the final whistle.

Team (4:3:3):- Burley, Murray, Watson, Mc Clurg, Jackson, A. Ogden, Bassingthwaite, Wilson, Gerritsen, Ratcliffe, Mc Gregor, Subs:- Lee, Diball.

S.E.Q.L. Away

Sun. 21.6.81.

Brisbane City 1-1 Lions

Scorer:- M. Gerritsen

Man of Match:- 3pts P. Mc Clurg

2pts S. Watson

1pt M. Gerritsen

Another good performance from the youngsters. The first half was a very even affair with City scoring in the 30th minute through ex-Lion Ivan Frkovic and Lions equalising ten minutes later through Mick Gerritsen. In the second half Lions gradually got on top and were unlucky not to score another couple of goals. Overall a good work man like

effort sprinkled with moments of real skill.

Team (4:3:3):- Burley, Murray, Watson, Mc Clurg, Jackson, Bassingthwaite, Lee, Burns, A. Ogden, Gerritsen and Ratcliffe. Subs:- Diball, Vasasquez and Trembath.

Today's game against the Gold Coast sees us reaching the two thirds mark of the league programme.

Here is the current league table.

	P	W	D	L	FA	Pts
Lions	13	8	5	-	42-10	21
Mt Gravatt	13	8	3	2	48-20	19
Bris City	13	7	3	3	55-15	17
Grange Th	13	6	3	4	20-19	15
East Sub	13	4	5	4	19-20	13
St Helens	13	4	4	5	23-18	12
Wynnum	13	2	-	11	21-50	4
Gold Coast	13	1	1	11	9-85	3

Last Saturday defeat by Grange Thistle in the Ampol Cup was the S.E.L. sides first defeat since the 3rd August 1979. It says a lot for the continuing supply of talented youth coming up through the ranks. Older S.E.L. players are making their mark in the P.S.L. squad and their places are being taken by well skilled and well drilled young men of fifteen and sixteen years of age. Top marks must go to coaches Ian Kesson and Jimmy Hewitt for the great job they are doing.

Nice to see the S.E.Q. side pull off a draw at Spencer Park with a Young side. I Don't think there would have been a player over 20 in the side? Paul Burns had his first full run and performed very well.

## PHILIPS LEAGUE

17:  
EICHHARDT - BLACKTOWN DEMONS 3-2

## Throw-in.

When the ball crosses the side touch-line, it is "thrown" back into play by a player from the team opposing that of the player who last touched it. The thrower must face the field of play with both feet on or outside the touch-line, and "throw-in" the ball with both hands from behind and over his head.

With a Philips Radio/Stereo Cassette Player combination in your car, you'll never be out of touch, or out of tune. There's a team of some 15 star-quality models of various types to choose from. Put one into play in your car soon.

PHILIPS AC808 AM/FM MPX RADIO WITH STEREO CASSETTE PLAYER.  
Auto switch to radio at end of tape, electronic speed control, interference absorption circuit on FM, these and many other talents make this an outstanding performer in all conditions.

We want you to have  
the best
